Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising a beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in, and taking over her father's beekeeping business.

Mad Honey is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.
